Florida Facts

Current Situation: Behavioral Health Funding

- Florida's 2013 population: **19,042,458**¹
- Floridians with behavioral health issues today: **3,897,054**²
- Florida DCF funding per capita for behavioral health: **\$26.60 per person**³
- The Kaiser Family Foundation ranks Florida **49th** in the nation in per capita mental health services expenditures⁴
- Florida uninsured: According to a recent report based on the Kaiser Family Foundation study, Florida ranks at the bottom of the national rankings fourth behind Louisiana (20.91%), Mississippi (21.46%) and Texas (24.81%) in number of uninsured. Florida's (**19.61%**) rate is equivalent to about **3.7 million** residents⁵

Florida DCF Funding Compared to Population Growth

Population up 16% Since 2000

DCF Funding per Capita
Substance Abuse /Mental Health

Restoring current funding to the 2000 level adjusted for inflation would require an investment of \$129,235,167

Funding Adjusted for Inflation
Substance Abuse /Mental Health DCF funding per capita

- Inflation determined by using the Consumer Price Index http://www.bls.gov/cpi/cpi_dr.htm#2014
 - State population from: <http://www.floridacharts.com/FLQuery/Population/PopulationRpt.aspx>

Thank you.
